***Memorial Day Prayer:**

"Confession in a Nuclear Age"

We confess our readiness to excuse and exempt ourselves from our nation's acts and policies.

*(Response: **Open us, Lord, to your truth, and lead us to repentance.**)*

We confess our nation's pride in winning the race to develop and use the first atomic bombs. **Response**

We confess our continuing national pride which has produced and perfected thousands of death-dealing nuclear weapons. **Response**

We confess our deep and abiding fear and hatred of our enemies which blinds this nation to your judgement of our own evil acts. **Response**

We confess that our nation clings to its stockpile of weapons to protect its power and wealth in the face of the earth's suffering millions. **Response**

We confess the national idolatry which allows our leaders to plan for the death of millions in a nuclear war in the name of national security and survival. **Response**

In Christ's name, we pray. Amen.
