*Call to Worship**:

What are you looking for?

We are looking for light.

Why light?

Light gives hope. Light points the way to truth.

Light lets us see ourselves and the world clearly.

God said, "Let there be light."

And there was light.

Let us worship and praise this Light-Giving God.

*Opening Prayer**:

Come, O God, our needs are always with us.

So often it seems impossible

that we can solve our own problems,

much less the problems of the world.

We don't feel smart enough, strong enough,

good enough.

Help us, O God, to claim the brokenness

and the promise as places where

we might find you.

Let us be fed and refreshed

by awareness and hope.

Receive our lives: doubts and beliefs,

hopes and fears, failures and successes.

In Christ's name, we pray. Amen.
